9 March 1976

Dear Jim,

The enclosed memo pretty well speaks for itself. There is little doubt in my mind that there has been abuse in APO privileges and unauthorized sale of goods. It is a fact that rumors have surfaced before regarding lawn sales but they have been discounted first of all because they are rumors, and secondly because of the particular personalities involved. Few people knew that lists of purchases through the APO were being documented.

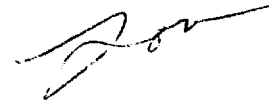

25X1A

Dr. agrees to abide by the ground rules of the enclosed memo. I believe that he will and consider it the minimum disciplinary action that could be taken. It is very difficult to document cold, hard facts on something like this. Purchasers will not come forward.

We are revising Facility Regs pertaining to the APO and selling of personal effects. In addition, I have personally talked to every USG at the Facility regarding APO usage. I believe that we are back on the track.

When are you coming to see us?

Sincerely,

Approved For Release 2002/05/02 : CIA-RDP79-00498A000700030002-9
